I want to help build the next well for thousands of suffering people in Burundi. I'm sending:

\$_____ to help build a solar-powered well in a community waiting right now.

(A typical water system costs \$50,000 and serves up to 2,000 people. Each \$500 provides years of safe, clean water for 20 people.)

I'd like to help with a monthly gift (see below).

Amazi Water™ is a 501(c)(3) tax-exempt charity. Contributions designated for specific projects are applied to those projects. No assessments are applied to gifts, with 100% of each dollar going to the project. If we receive more contributions for a given well project than can be wisely applied, then we use those funds to meet a similar pressing need.
